

24 upcoming comedians to show off comic skills at Savanna Newcomer Showcase

The 2019 Savanna Newcomer Showcase will be held at The Soweto Theatre on 19 May 2019. Twenty-four emerging talented comedians from across the country will be given five minutes in front of the theatre to deliver the best comedy routine they've got - all in the hopes of being crowned at this year's Savanna Comics' Choice Awards (CCAs).

It's always a hoot as newcomers stand proud, belt out their punchlines and relish in the applause of a crowd. You also get the odd one or two that bomb, but that's all part of the fun.

The Savanna Newcomer Showcase is a platform created by longstanding comedy partners Savanna Premium Cider and the Savanna Comics' Choice Awards to give up-and-coming comedians their time to shine and to give the industry an inkling of who to vote for.

"It's all about creating an unmissable afternoon of comedy, new friendships and good times," comments Diego Jacobs, Savanna's brand activation manager. "This year, we have gourmet food trucks and are creating an epic party buzz outside before the comedy starts indoors, it's the best way to spend a Sunday afternoon."

This year's instalment will be hosted by the hilarious Tsitsi Chiumye who won last year's Savanna Newcomer of the Year Award as well as a Safta and is a rising star in SA comedy. Hailing from Limpopo, he was singled out by South Africa's greatest comedy export, Trevor Noah, to take part in the new comedy TV series, Trevor Noah Presents NationWild. Tsitsi also appeared on BBC Arts Hour, which featured

Spike Lee in the same season.

Tickets are R250 and include a Savanna Premium Cider and a meal.
