

Showmax Pro brings sports live-streaming - but not to SA (yet)

By [Megan Ellis](#)

8 Jul 2020

Showmax has announced the launch of Showmax Pro, which will let users stream certain live sport events from SuperSport - but the service isn't available in South Africa yet.

Live streaming SuperSport and other live sporting events have been a long-sought-after service for many South Africans.

To stream SuperSport's channels and content, users usually require a DSTV Premium subscription and need to log into DSTV Now.
