

2021 Facebook Community Accelerator Programme applications open

Facebook is calling on community leaders from South Africa, Kenya and Nigeria to apply for the 2021 Facebook Community Accelerator Programme. The programme offers participants training, mentorship and up to \$50,000 in funds to invest in an initiative that extends their community's positive impact.

The programme is open to communities that have a presence in Facebook Groups with leaders who are 18 years or older. The communities must have existed for over a year and must have a minimum size of 1,000 members.

The deadline for applications is 31 May. [Click here](#) to learn more about the programme and submit your application.
