Bakers Mini Cricket 25 Year Celebration

Having worked with Grapevine Communications on the 25 Year Bakers Mini Cricket celebration I can certainly commend them on a job well done. Their commitment and attention to detail during this project was fantastic and they were always willing to assist with additional requests.

Their strong relationship with the media certainly shone through and their management of the vast number of media attending the event was remarkable.

The PR coverage achieved on this campaign was phenomenal and vast with the Bakers Mini Cricket celebration attaining mammoth exposure.

Sincerely
