

30 April 2012

Marie Yossava
Grapevine Communications

Dear Marie,

This letter serves to confirm that Grapevine Communications were the appointed PR agency for Oracle Airtime Sales (now DStv Media Sales) from 2001 to 2007. We received a professional, proactive service from their team who developed a thorough understanding of our business.

I recommend their services to prospective clients.

Regards

Chris Hitchings
CEO
