*Dear Marie*

Mike handed me the press clipping valuations for the RF Group for the period June to October. This came to more than R3 million. This testifies to the competence of your organisation and the fact that the relationship with Grapevine was a hugely successful strategic investment for us.

We are sad that it had to come to an end due to a major policy shift in the way in which Nokia Corporation was managing its brand in Southern Africa. Nonetheless, I would be failing in my duty if I did not say what a pleasure it has been working with your organisation and furthermore, to say how hugely impressed I have been with the results achieved.

Congratulations to yourself, Helen and the rest of your team.

*Yours sincerely,  
Wilfred E. Ope*
