RE: GRAPEVINE CONSULTANCY

This serves to confirm that Grapevine Communications served me during my tenure as Acting Chief Executive Officer, SABC.

I found their strategic input highly valuable. They demonstrated a very good understanding of the media world and were able to be proactive and innovative.

Objectives that we had set for the period under review were met. Highly commendable was their turnaround time – very quick and responsive.

They were another pair of eyes and ears about SABC in the media world. I would recommend them highly to any CEO.

Yours sincerely
