HOW THE LOERIES OFFICIAL RANKINGS ARE CALCULATED

While there can be many ways of analysing any competition, we have provided a thorough and fair process to accurately report on the results of the awards. The exact methodology used for the ranking is described here, and publication of the chosen procedures in advance of our entry deadline and judging ensures no bias in favour of any particular outcome.

1. BRANDS GET POINTS:

A credited brand gets full points, irrespective of the entering agency. For example, if a brand wins two awards with two separate agencies, the brand gets full points from both awards.

2. WHAT'S NEW IN 2019:

The Music and Sound Composition category was divided into Sound Designer, Music Composer and Music Supervisor.

Renamed categories include: Design (previously Communication Design), Digital (previously Digital/Interactive Communication'), and Film Director (previously Director).

3. POINTS ARE GIVEN FOR EACH AWARD.

4. POINTS PER AWARD:

300 points for Grand Prix; 110 points for Gold; 40 points for Silver; 15 points for Bronze; 90 points for Craft Gold; 30 points for Craft Certificate; 1.5 points for finalists (to a maximum of 45 points for finalists).

5. CAMPAIGN ENTRIES GET 1.5x POINTS:

All campaign categories will be awarded 1.5 times the points. The following categories are defined as campaign categories: Design – Identity Programmes; Design Mixed-Media Campaign. Digital – Data Driven Campaign; Digital Integrated Campaign. PR & Media Communication Campaign. Media Innovation – Media Campaign. Film – Branded Content Video – Series. Integrated Campaign. Shared Value. Effective Creativity. Service Design. Student – Facebook Challenge; Integrated Campaign.

6. COMBINED CAMPAIGN ENTRIES ALSO GET 1.5x POINTS:

Single entries (Type A) that are combined into one campaign award during judging will receive 1.5 times the points. For example, if three print posters are combined and awarded a Campaign Gold, then the award will be worth 1.5 x 110 = 165 points.

7. FOR COMPANIES, POINTS ARE DIVIDED IF MORE THAN ONE NAME IS PROVIDED FOR ONE CREDIT:

Where more than one company has been credited for any one credit, the points will be divided equally between the parties. For example, a Gold winner receives 110 points. If two companies are listed under "agency", each will receive 55 points. However, one "agency" and one "production company" will each receive the full points.

8. FOR INDIVIDUALS, FULL POINTS ARE GIVEN FOR EACH NAME LISTED FOR ONE CREDIT:

Where more than one individual has been credited for any one credit, each individual will get full points. For example, a Gold winner receives 110 points. If two creative directors are listed, each will receive 110 points, or if three people share the writer credit, then each person will receive 110 points.

9. FOR INDIVIDUAL CREATIVE RANKINGS:

A person is only awarded points for the most senior creative position, even if his/her name is listed in multiple creative credits. For example, if someone is credited as executive creative director and creative director, they will only receive points for executive creative director.

10. AGENCIES AND PRODUCTION COMPANIES GET FULL POINTS:

As long as there is one name per credit, then each credit gets full points. For example, if a TV commercial wins gold, the credited agency gets full points and the credited production company gets full points. If two agencies share one credit, then each agency gets half the points.

11. A COMPANY CANNOT RECEIVE POINTS AS BOTH AN AGENCY AND AS A PRODUCTION COMPANY.

12. CRAFTS:

Production companies will receive points from international craft entries; however, agencies will not receive any points. For example, if an illustrator from within our region does work for a London agency to be flighted in Europe, based on a brief and concept created in London, then the work is eligible for an illustration craft award and craft points. But the London agency gets no points.

PLEASE NOTE:

The Official Rankings are calculated based on the information provided. While the Loeries goes to great lengths to check and correct information, such as duplicate spellings, the onus is on the entrants to ensure the correct companies and individuals have been appropriately credited.
